

IEEE 2025 13th International Conference on Systems and Control

October 22-24, 2025, Marrakesh, Morocco

Organizers - University Cadi Ayyad of Marrakech - Society of Development of Science and Novel Technologies, Marrakech, Morocco.	This event will provide the opportunity for worldwide researchers and practitioners to share together the latest developments and new trends in systems and control. Both theoretical and applied papers are welcomed for submission to this event. Keynote speeches are to be conducted by well-known experts in systems and control.

	Paper submission: Papers must be submitted electronically via the Web upload system only . The guidelines are given at the ICSC'25 Web site https://icsc.conference.univ-poitiers.fr/ Full papers should be submitted in standard IEEE double-column format for conferences. The first page of the paper, centred on the top below the top margin, should include the paper title, the authors' names and their affiliations, an abstract, and keywords. Six pages are allowed for each paper. Submitted papers will undergo a peer review process, coordinated by the Program Chairs and the IPC. The authors are invited to submit the full version of their manuscripts online through the online paper submission https://controls.paperecept.net/conferences/scripts/start.pl Each paper must be presented. Important Dates: (Tentative) Submission site opening: December 15, 2024 Submission deadline of draft papers: June 15, 2025 Notification of acceptance/rejection: July 25, 2025 Final version due: September 10, 2025 Congress opening: October 22, 2025
